

An Affirmation of the Spirit of Faith

By Pastor Bryan Hudson, DMin

I have the Spirit of Faith, which is a proper disposition and attitude aligned with the Word of God. By the grace of God, I live a lifestyle that supports the Spirit of Faith. I walk in provision and favor because God is faithful and helps me be faithful to Him.

I have God's treasure in this earthen vessel called my life. God entrusts His treasure to me, and I will live a lifestyle that honors Christ and continues in covenant relationship with God and my fellow believers in Christ.

I embrace realities that I do not see.

Though outward things are perishing, my inward person is being renewed day by day.

The afflictions that I endure are light compared to the glory that is being revealed.

I don't call things that are as though they're not. By God's grace, I call things that are not as though they were. God keeps His promises.

The Spirit of Faith allows me to maintain the type of lifestyle that will allow God to manifest His provision and favor in my life.

I don't have to look at the things that I see, because there's more to life than what my eyes can see. Through the Spirit of Faith, I see God's promises and purposes fulfilled.

I have the Spirit of Faith and I am living a lifestyle of provision and favor
